Lash Extensions Los Angeles

PremierLash offers professionals the industry's highest quality, most luxurious lash extensions. Lashes are velvety soft and flexible, providing a full, natural and elegant look. Made from nylon, or, organic materials, the lashes have precision lengths & curls that better replicate a natural lash.

Isolation Eye Pads

Find the perfect eye pad for any client! We offer Sensitive (Aloe Vera), high tech Silicone pads, and Anti-Aging (Collagen, Arbutin, Vitamin A&E). PremierLash Gel Eye Pads are the most popular isolation eye pad available. Free of additives to reduce sensitivity, pre-cut for better isolation, fit & comfort. Enriched with Collagen & Arbutin, Blink Lash Care™ Lint Free Gel Eye Pads provide an anti-aging treatment during your services. Collagen delivers elasticity while Arbutin makes skin brighter and vibrant.

Professional Line

Sanitation

Sanitation is too important, be sure to set and keep your standards high. PremierLash carries the largest selection of sanitation products in the lash industry. From sterilizers, disinfectants & hospital grade cleansers, to face masks, sterilization pouches, emergency eye wash and other necessities.

Salon Retail Products

PremierLash offers a variety of luxurious spa products. Choose between aftercare kits, lash conditioners and our expanded line of lash safe cosmetics. Keep your salon equipped with everything your clients need to properly maintain their beautiful lashes.

Accessories

PremierLash provides an extensive line of high quality products. Choose from tweezers, applicators, grooming & cleansing items, to magnifiers, lighting supplies and much more. Retail items include protective sleep masks, lash pillows, extension safe cleansers and cosmetics.
